新上五島町

The beginning of an island trip where you can meet the land natured by nature and warmth of people.

Shinkamigoto History

History of Kamigoto began with a ship Japanese envoy to Tang Dynasty China that called "Kentoushi ship".

Since ancient times, it has been a port of call for ships to the continent as a base for continental exchanges, and during the Edo period, it has become a new home for Christians who have fled the severe oppression of the Shogunate and continued to protect their faith. There are five towns merged in 2004 from the "Great Showa merger" across the ages, and now there is "Shinkamigotocho"

Shinkamigoto Culture

The culture of praying that the ancestors to protected and convey

"Goto hand-stretched udon" is made from a "camellia oil" obtained from the fruits of "Yabu camellia" that grows on the island, and mineral-rich salt made from beautiful seawater. "Jigoku-daki", which is eaten with charcoal grilled flying fish "Ago broth", is a traditional food of Kamigoto that has been passed down from ancient times."

Shinkamigoto Local Specialty

The specialty of Kamigoto's history and culture is sometimes gentle or benefits from the cold north wind.
